The 20th Pendle and Burnley Grand Prix got off to a great start with the Pinhaw Moor Fell race at Earby on Friday 12th May 2006. A beautiful evening saw 140 runners finish this popular fell race which was being held for the 26th time. Conditions were perfect for racing and it was not surprising that three records were broken.

The race was dominated from start to finish by Andy Norman, from Altrincham, who finished almost three minutes ahead of his nearest rival. In doing so Andy took two seconds off the race record which was set by Craig Metcalf back in 1991. This was a remarkable achievement when Andy from start to finish was out on his own over a course he had never run before. Andy's father is Geoff Norman who represented Great Britain at the Olympic Games, in the marathon, and on this showing he could be follow

The Norman family were however beaten in numbers by the Addison clan who fielded five members. They were led home by 16 year Tom Addison who finished the race in 2nd place. His time of 30.19m was almost 2 minutes faster than his time last year and he looks a very exciting prospect.

Mark Aspinall, who held the Grand Prix for six consecutive years, finished in 3rd place and he was also the first veteran home. His time of 30.39 took 9 seconds off the previous V45 record, which was set by Roger Hargreaves (RIP) in 1993.

The final record to be broken was in the V60 category where Barry Mitchell took 2 minutes off the previous Time.

The other leading vets included Richard Barrett, V40, John Singleton V50, Ted Orrell V65 and Richard Packer V70.

The ladies race was won by Jo Buckley, from Calder Valley, in a time of 34.50. She was followed home By Trawden's Molly Ralphson and Clayton's Andrea Waincott.

The leading lady vets included Linda Bostock LV45 and Jennifer Adams LV55.
